THE BEST WORK FOR CANVASSING AGENTS.

HARPEE'S PICTORIAL HISTORY

THE GREAT REBELLION THE UNITED STATES. Messers. Harper & Brothers have commenced the lesse in Numbers of a complete History of the Great Rebellion in the United States. The work has been r many months in course of preparation, by a writer very way qualified for the task.

for many months in course of preparation, by a writer every way qualified for the task.

The introduction contains a siear and suscinct ascount of the formation of the Confederacy of the States: the formation and adeption of the Constitution of the United States, said the establishment of the National Government; the origin development, and progress of the dustrines of Nullideation and Secessian, and the various phases which they assumed nuttle their final calmination in the Great Relation.

The History comprises a full account, drawn from the most antheatic sources, of all the Events of the War; the intrigues of the Southern leaders at home and abroad; the gradual defection of our section; the great uprising of the People for the maintenance of the National Life and Existence; the rapid creation of an Immense Army and Navy; and the Ratties by Land and Sea.

The History comprise Portraits of all those why have borne a promingly part in the strangle; Maps of the different forafflies; Plans of the tending actions; Views of every scene of interest, and of the most important lattics. These illustrations are mostly from drawings taken on the spot by artists deputed for that across the secondary and

mwings taken on the spot by artists deputed for that arpose to accompany every division of our Army and layr. Navy.

Every incilling at the command of the Publishers has been employed in the propagation and excension of this work; and they considerally believe that it will form the most breakworth; and valuable history which can be predared of The Great Struggle for the American Union. MODE AND TERMS OF PUBLICATION.

The work will be issued in Numbers, each consist-ing of 27 pages of the size of Harper's Weekly, printed from clear-type, upon the paper, and will probably be completed in about Twenty Numbers. The numbers will be issued at intervals, if possible, fabout three or four works.
The Price of each Number, which contains matter ent to an ordinary volume, will be Twenty-five ents.
The Hostrations in each Number are alone worth
the price select. Men out of employment, especially SICK OR DISABLED SOLDIERS,

can find no other work so sure of ready sale and good produc. For further particulars apply to the Publish crs.
